40 Years

Founded in 1970, E4C is a charitable human services organization providing multiple and diverse services. E4C has been working with people in Edmonton to meet their basic needs, build on their strengths and move towards a better life. E4C's essential programs help families and individuals of all ages, backgrounds and life situations.

70 Years

The Edmonton Social Planning Council will be celebrating 70 years as an independent, non-profit, charitable organization dedicated to encouraging the adoption of equitable social policy, supporting the work of other organizations who are striving to improve the lives of Edmontonians, and educating the public regarding the social issues that impact them on a daily basis.
